### Whole Foods Market Privacy Notice

Whole Foods Market collects information about you when you use the Community Engagement Portal, including your name, job title, contact information and other information you provide. That information is used by Whole Foods Market to process, and to communicate with you about your application.

For more information about Whole Foods Market's privacy practices, please see the applicable Whole Foods Market Privacy Notice:

- For users in the US or Canada, click [here](#)
- For users in the UK or EU, click [here](#)

Whole Foods Market has engaged a third-party service provider, Versaic, to provide this Community Engagement Portal on our behalf. For information about Versaic's privacy practices please see their [Privacy Policy](#).
